

## **Fluent Wave Honored with Prestigious EcoVadis Award for 2025**

Heerlen, Netherlands – February 6, 2025

Fluent Wave, a leading innovator in CsI and Phosphor scintillators, is proud to announce that it has been awarded the prestigious EcoVadis Gold Medal for 2025. This marks the second consecutive year that Fluent Wave has received this esteemed recognition, placing the company in the top 5% of companies assessed by EcoVadis, a global leader in business sustainability ratings.

The EcoVadis award acknowledges Fluent Wave's unwavering commitment to sustainability and corporate social responsibility (CSR). The assessment covers a broad range of criteria, including environmental impact, labor and human rights, ethics, and sustainable procurement practices.

"We are incredibly honored to receive the EcoVadis Gold Medal for the second year in a row," said Luuk Jansen of Fluent Wave. "This award is a testament to our team's dedication to integrating sustainable practices into every aspect of our business. We believe that innovation and sustainability go hand in hand, and this recognition reinforces our commitment to creating a positive impact on the environment and society."

Fluent Wave has implemented numerous initiatives to reduce its environmental footprint, including energy projects, recycling (raw) material and waste reduction programs. The company also prioritizes ethical business practices and works closely with suppliers to ensure sustainability throughout its supply chain.

The EcoVadis Gold Medal is a significant milestone for Fluent Wave as it continues to lead the way in sustainable technology solutions. The company remains committed to driving positive change and setting new standards for sustainability in the industry.
